Dear Tom

I am writing in response to your letter dated 28 August 2020 regarding the junction of Hilders Lane and Main Road, Edenbridge. I apologise for the delay in responding.

I am pleased to advise that KCC officers have recently undertaken a site visit to the location and are exploring the available options for road safety enhancements that will improve awareness of the junction to approaching vehicles and improve pedestrian facilities in the nearby area. KCC will be working with the parish council and County Member, Peter Lake, to develop any proposals for improvements.

As part of their investigations, officers will be looking at the existing waiting restrictions around the junction to see whether any amendments will enhance road safety here.

I would like to thank you for passing on the suggestions made by residents regarding potential improvements. I have passed these on to the officers exploring the options.

Thank you for taking the time to contact me and bringing your concerns to my attention. I trust the above has explained our position.

Yours sincerely

Michael Payne
Cabinet Member for Highways and Transport
